

Policy for Student Personal Web Sites

1. Lafayette College encourages students to create and post personal web pages on the college web server. (<http://ww2.lafayette.edu/~student-ID/>)
2. The Lafayette College web server represents Lafayette to the world; therefore the content published must be consistent with the mission of the College. The student is responsible for preparing the content of their personal web pages, Information Technology Services for the maintenance of the web server.
3. Students who desire to create a personal web page should read and fill out the Student Web Site Request Form, and submit it via campus mail to the address given at the bottom of this sheet. An account will be created on the web server, and you will be contacted via e-mail to arrange a time to visit Room 120, Skillman Library to pick up your account information. Please bring your Lafayette ID with you.
4. This account may only be used for page creation and maintenance. Any other use of this account may result in account forfeiture. Likewise, only the account holder may use the account. (Students who wish to create pages for a college recognized student organizations should fill out a "Student Organization Web Site Request Form")
5. The content of the web pages should follow the College Regulations and the Principles of Intellectual Honesty as given in the Student Handbook, and the fair use of copyrighted materials. The pages should be maintained frequently and out-of-date materials promptly removed. Pages that violate any of the College's policies may be removed without notice, and may result in disciplinary action. Lafayette considers your use of the web server to be a privilege and not a right: as such, violations of current or future policies may result in the permanent revocation of this privilege. The college reserves the right to remove the files for whatever reasons it sees fit, and to terminate or modify the conditions of this service.
7. Your student web account will be deleted July 1 of the year you graduate.
8. Violations of this policy should be reported to Information Technology Services at its@lafayette.edu.
