NOVEMBER 2023

UPCOMING ITS TRAINING

NOV 2
1:30 - 3 PM

Web Working Session

Set aside time to work on your website with on site assistance from ITS. We can work with you individually or together to help you meet your web goals. BYO Computer, Skillman 004.

NOV 7
2 - 3 PM

Cleaning up "To Be Deleted" Files

Join ITS for a Zoom session for assistance dealing with the "TO BE DELETED" files in your Google Drive. We'll help you prepare for the January 10 deadline. Drop in Zoom meeting, join at your convenience.

NOV 9
11 - 12 PM

LRT Training: Digital Accessibility

When creating or using digital materials, you will want to ensure that those digital materials are accessible to the broadest range of learners. There are simple strategies to improve the accessibility of digital materials and instructional strategies.

NOV 13
11 PM

ITS Office Hours: Project Management

Join Paulette Poloni and Kat Butler to learn more about the ITS Project Management services and the project submission process during this Zoom session.

NOV 15
12 - 1 PM

Web Community of Practice: More Usable Webpages in 5 Minutes

Does it feel like your site needs attention but you don't know where to start? Join us at the Web Community of Practice meeting in Skillman 003 for both inspiration and an easy framework to help you update your page.

Register online! Please let us know which session(s) you plan to join:
