

# OCTOBER 2024

## UPCOMING ITS TRAINING

**OCTOBER**

**8**

**11 - 12 PM**

**Zoom**

### Digital Accessibility Basics

Ensure your digital materials are accessible to a broad range of learners. This presentation covers simple strategies and best practices for creating accessible digital content.

**OCTOBER**

**17**

**12 - 1 p.m.**

**Skillman 003**

### Project Management Community of Practice

Stay informed and join the conversation as we share and discuss IT project developments. Lunch provided, first come, first served.

Planning to attend? Please register!

**OCTOBER**

**24**

**12 - 1 PM**

**Skillman 003**

### Web Community of Practice: Essentials

Join us as we cover the basics of WordPress management: user access, callouts to highlight important content, plugins to simplify your work, and images to enhance your site. Whether you're a beginner or looking for a refresh, this session will help you fine-tune your web skills with practical, easy-to-implement tips.

**OCTOBER**

**28**

**10:30 - 11:30 AM**

**Tech Lounge**

### Ask Us Anything: Cyber Security Edition

Join us for an "Ask Us Anything" session focused on safeguarding your personal and professional data, enhancing online security, and staying ahead of the latest digital threats.

Let us know you plan to attend a session - register online!
